Booking Conditions

Please read this carefully before making your booking. It sets out your agreement with us and contains important terms and conditions.

1. The agreement

Your agreement with us ("the agreement") only comes into effect when we have received your signed booking form or telephone, fax or email instructions together with your deposit and insurance premium (if required) and we have issued confirmation of your booking (either written or verbal). A deposit of £50 per person is payable at the time of booking. The agreement is made in England and is governed in all respects by English law. Any disputes arising from the agreement will be dealt with exclusively by the Courts of England and Wales.

2. Payment of balance

When we confirm your booking with us, we will send you an invoice showing the balance of the payment due and the date by which it must be received by us. Payment of the balance must be made 6 weeks before the start of your holiday. If the balance is not received by the due date we reserve the right to cancel your booking and to apply cancellation charges as paragraph 5 below. Where bookings are made less than 6 weeks before the start of your holiday, full payment must be made when booking.

In accordance with "The Package Travel, Package Holidays and Package Tours Regulations 1992" all passengers booking with Cycle Breaks are fully protected for the initial deposit and subsequently the balance of all monies paid to us arising from cancellation or curtailment of your travel arrangements due to our insolvency.

A certificate detailing this cover will be given to the lead name on the 'Booking' as evidence of cover. Please ensure that you have been given the appropriate certificate at the time of booking.

This Insurance has been arranged by International Passenger Protection Limited and underwritten by Insurers who are members of the Association of British Insurers.

3. Price Guarantee

We guarantee that the price of your holiday will not be subject to alteration or surcharge once you have paid your deposit and we have confirmed the booking to you in writing. With the above exception, we reserve the right to increase or decrease brochure prices at any time.

4. Changes to arrangements

If you wish to alter your holiday arrangements we will do our best to accommodate you, subject to availability, upon payment of an administration charge of £30 per booking, provided such alterations are notified at least 28 days before the start of your holiday. After this date we reserve the right to treat the changes as rebookings and to apply cancellation charges.

5. Cancellation

If you have to cancel your holiday you must notify us immediately in writing by recorded delivery letter. We will be entitled to charge cancellation charges expressed as a percentage of total holiday price on the following scale, to be calculated from the date on which we receive written notification. Insurance premiums are non-refundable.

days before departure:

More than 42	deposit only
42 to 29 days	40%
28 to 8 days	75%
Less than 8 days	100%

6. Alteration/cancellation by us

There may be occasions when it is necessary to alter itineraries. The itineraries are statements of intention only, do not constitute representations or undertakings that they will be carried out and changes to them will not constitute material alterations. We will notify you of any such alterations as soon as we can and will offer you alternative arrangements of at least equivalent standard. In the unlikely event that we have to cancel your holiday or make material alterations we will notify you as soon as possible and offer you the choice of an alternative holiday or a full refund.

7. Force Majeure

Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation where the performance of our contractual obligations is prevented or affected by "force majeure". For the purposes of these booking conditions, "force majeure" means any event which we, our employees, agents or supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include war, riot civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire and all similar events outside our control.

8. Using your own bike

You should always ensure that your bike is in a good state of repair prior to use.

If you have problems with your own bike whilst on holiday with us in Suffolk or Norfolk, we will bring you a replacement bike for the rest of your holiday and charge back the own bike discount given.

Please note that on French and Austrian holidays, no provision is made for mechanical assistance for those using their own bikes.

9. Dealing with problems

9.1 Complaints

If you have a problem with our services whilst on holiday you should report it immediately to your hotelier or to us (or to our local representative on overseas holidays) so that the matter can be put right. Any ensuing complaints should be notified to us as soon as reasonably practical and in any event put in writing to our office within 14 days of the end of your holiday.

9.2 Liability for injury or loss

We will not be liable for any injury or loss suffered by you except in the following circumstances:

- i Death or personal injury caused by the negligence of us, our employees, agents or suppliers provided they were at the time carrying out work authorised by us;
- ii Misrepresentation made by us, our employees, agents or suppliers provided they were at the time carrying out work authorised by us;
- iii Breach of our contractual duty to exercise due diligence in making arrangements for your holiday and for consequential loss arising from any such breach;
- iv Failure to provide contractual services which are adequate or are of a reasonable standard.

10. Insurance

We strongly recommend that you are adequately insured for your holiday and consider insurance essential for overseas holidays. We will only accept bookings on overseas tours if you confirm to us that you have adequate travel insurance (however we **do not** require proof). Please note that on our holidays you will be required to reimburse our local agent in the event of damage to or theft of your bicycle.

11. Passport

UK passport holders need to carry their passport when they travel to continental Europe. Non UK passport holders should check on passport and visa requirements for entry to either the UK or continental Europe.

Additional Nights - Price Supplements

You can add extra nights at the start, middle or end of your tour as you please - just call us for prices. Due to the excellent facilities on offer, we will squeeze in prices here for The Stoke-by-Nayland Club: extra night £44 (£51 weekend); if 2nd consecutive night, then £41 (£48 weekend).

Single or Multi Centre Holidays - Cycling

These holidays are especially suitable for families with young children with little cycling experience. We will arrange accommodation for you for up to 4 days (after that, the cycling can get repetitive), provide you with circular routes, deliver & collect bikes (if required) and, as always, be on call to give you peace of mind.

For those wanting a longer break, we are happy to arrange a second centre in a different area; we would again provide a selection of circular routes and would transfer cycles across if required.

Prices vary greatly, depending upon type of accommodation, availability of family rooms and suites, location (the coast is generally more expensive) and trip timing (weekends are generally more expensive). Please call us for a chat.

Travel Insurance

We strongly recommend that you are adequately insured for your holiday (and insist upon it for overseas holidays). When arranging your cover, you should check that participation in a cycling holiday is not an excluded activity for coverage under that policy.

Cycling Holidays - Security Deposits (payable on arrival)

It is a condition of our insurance that we take a security deposit of £50 per bike from you against the safe return of each bicycle. This deposit can take the form of either cash, a guaranteed cheque or credit card authorisation and will be returned to you at the end of your holiday.

A security deposit is not required on overseas holidays (see Para 10. Insurance opposite).
